INTRODUCTION

This publication is an index of names in articles that contain family information such as names of relatives, relationships, events, and dates, and clues to finding family information such as residence before moving to Douglas County, Kansas, or residence after moving away. The index contains about 7,000 entries listing names of Douglas County residents, former residents, or relatives of residents. Legal notices and commercial advertisements are not indexed.

THE NEWSPAPERS

The newspapers indexed here are generally six days per week, August 23, 1881 through December 12, 1886 and are on microfilm in the Kansas State Historical Society (KSHS) Research Library in Topeka and the Lawrence Public Library (LPL). Following are the newspaper names and reel numbers of the microfilms indexed:

PREVIOUS INDEXES

Previous newspaper indexes published by our Society cover November 29, 1863 through March 4, 1873 (deaths and births only) and March 1873 through August 1881 (excluding January through June 1878 for which Lawrence daily newspapers are not available).

NOTICE

These newspapers usually were printed without page numbers, but we indexed as though the numbers were there. The names are listed as printed in the newspaper, although a few are also listed in corrected form if the corrections were obvious. This index has not been proofread, and although we have done our best, it undoubtedly contains errors and omissions. Because of reporters' or printers' or indexers' errors, the researcher should look for all spellings and misspellings of names.

COPIES OF INDEXED ITEMS

Upon written request with payment in advance and specification of dates and page numbers of items wanted, the Douglas County Genealogical Society will make copies of indexed items. The cost in 2007, subject to change in the future, is \$6.00 for the first item and \$2.00 for each additional item in the same request. Be aware that additional items for the same person may or may not contain additional information. Our address is P.O. Box 3664, Lawrence KS 66046.
