CLEARFIELD CEMETERY

From an article in the Eudora Enterprise, Wednesday, March 17, 1976
By Mary Rodewald

The present Clearfield Cemetery located on the southwest corner of the Rodewald farm was deeded to the Evangelical Association and their successors, and acknowledge the transaction before Charles Pill, Douglas County notary public, by George Meeder on July 19, 1880. Another half-acre was purchased from Mrs. Walter Rodewald in the 1960s by the trustees. Each member of the church was to have a lot free of charge.

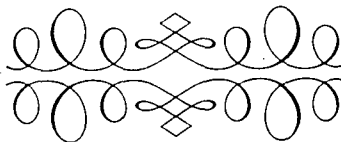

By the year 1861 the George Meeder family had consisted of four boys and two daughters. The two younger sons, of 8 and 10 years, became ill and died of diphtheria in February, 1871. This new settlement had no burial ground. So Great-grandfather built their coffins, laid them out, and chose to bury them in the graves the neighbors had dug. Small markers can still be seen from the road in the southwest corner of the Clearfield Cemetery.

The next person to be interred in the Clearfield Cemetery was Ludwig Schendel, father of Amelia Schendel, who married my grandfather, William Brecheisen. The second person was my great-grandfather, Peter Brecheisen.

The Rev. Dissinger, a minister of the Evangelical Church, chose to be buried there also. He had married Mr. and Mrs. George Brecheisen.

The trustees of the Clearfield Church are in charge of the cemetery as ordered.

"NO" MAY MEAN "YES"!!

If you are looking at the Index to Revolutionary War Pensions in the National Archives, do not assume that if a name has a "R" after it (meaning application rejected) it is not worth looking at. Often times there is much genealogically important information in documents filed by family and friends trying to get the "rejected" decision overturned!

HENRY H. MCGLOTHLIN

H. H. MCGLOTHLIN

H. H. McGlothlin, of whom the above is a good picture, is a native of that grand old common wealth, Virginia. He was born in Jeffersonville, March 12th, 1849. In the year 1849 his father moved from that state to where Kansas City now stands. At that time it was known as Westport's Landing. They staid there until 1852 when they again moved this time to the state of Kentucky. "Hank" not being satisfied with that country decided to return and accordingly boarded a steam boat on the Ohio river and coming by the way of Louisville and St. Louis landed in Kansas City in 1856. From that time up to the present he has been a resident of the state of Kansas. At the breaking out of the war he served the government in the capacity of Scout until the 15th. Kansas was organized, in which organization he served until they were mustered out in November 1-65. He was married to Mrs. Rebecca W. Probasco in the year of 1871. They have no children.

For over twenty years he was deputy sheriff of this county and for four years was deputy United States Marshal. "Hank" McGlothlin has cried Public Sales continuously for over thirty years in this and adjoining counties and we say without fear of contradiction, that he is the best Auctioneer in the state. He is personally acquainted with more men women and children, than

Henry H. McGlothlin

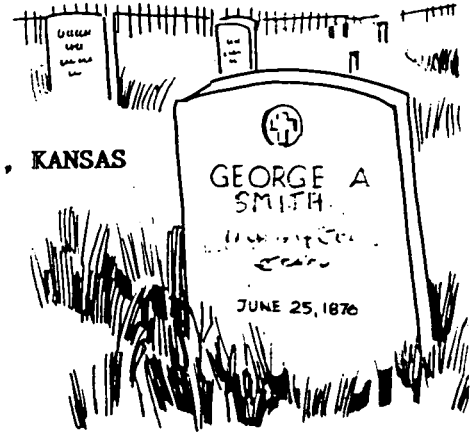

Witnesses must state their post office address, year, and number of years.

HENRY H. MCGLOTHLIN lived in Douglas County, Kansas between the years of 1856 and 1861. He ultimately settled in Pleasanton, Linn County, where his brother, Shadrick "Shade" McGlothlin joined him in 1882 from Kentucky. Although Henry had no children, his brother had three, Shadrick Jr., Cora and Julia.

FAMILY OF CLARENCE VIRGIL LEIGH AND JULIA ELLEN DANIELS LEIGH
Submitted by Julia Fields
N. 5510 Bemis, Spokane, Washington 99205

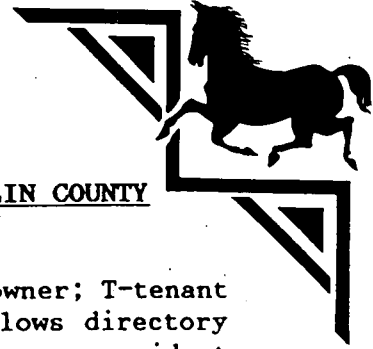

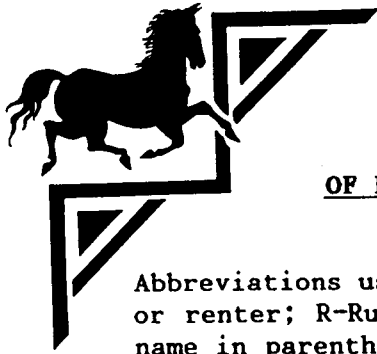

Clarence Virgil LEIGH was born 9 October 1881 in Morris County, Kansas to James LEIGH Jr. (b. 1851 Devonshire, England -- d. 1925) and Augusta Virginia WADE (b 1854 Indiana - d 1926). James LEIGH immigrated to the U.S. about 1869 from England. August V. WADE's family were from Virginia and moved to Indiana before coming to Kansas. James and Augusta were married in 1878. Most of their children were born and raised on a farm near Oskaloosa, Jefferson County, Kansas). Clarence attended drafting school and became a carpenter, builder, architect in Lawrence, Kansas.

Julia Ellen DANIELS was born 17 June 1884 in Fremont County, Colorado to Nathaniel Burr DANIELS (b 1877 - d. 1917) and Cynthia Ellen ELLIOTT PASLEY DANIELS (b 1849- d 1886). Nathaniel's family lived in Missouri prior to the Civil War and were run out due to the fact that Nathaniel's father, Miner DANIELS, was an abolitionist M.E. minister and they moved to Kansas. The family were early settlers in Clinton County, Ohio, having moved from Pennsylvania in the early 1800s. Cynthia ELLIOTT's parents, Stephen and Lavina HOLLOWAY ELLIOTT were from Indiana and were early 1850s settlers in Jackson County, Kansas. Julia was raised by the ELLIOTTs after her mother died and her father went back to Colorado. She became a school teacher and taught at the country school at the edge of the LEIGH farm. Julia and Clarence were married in Mayetta, Kansas on 10 October, 1906. They lived in Lawrence after their marriage.

Clarence built the first house of eight the family were to live in at 1414 Connecticut. Five of the eight children were born in the house. Mr. LEIGH built a number of houses in Lawrence and worked on the KU Student Union. He also worked at the Reuter Organ factory building organ cabinets and during the war worked on aircraft in Kansas City.

All eight of the children attended KU. Marion Rose LEIGH (PILE) graduated in 1929 as a journalist. Harold Roscoe LEIGH was just short of a degree and did not finish due to the depression. He was an engineer for Liquid Carbonic. Esther Virginia LEIGH PARADEE graduated in 1934 as a home economist. Lawrence Elliott LEIGH graduated in 1936 and went on to become a doctor in 1941. He practiced medicine in Overland Park, Kansas. Edgar Daniels LEIGH graduated as a mechanical engineer in 1939. He lived in New Jersey and Utah. Virgil James LEIGH graduated in 1940 in business. After WWII he was a civil service administrator at Sierra Army Depot in California. Ruth Ellen Leigh YEAGER graduated in 1945 in business administration. She worked in Riverside, California as an accountant. Julia Pearl LEIGH FIELDS graduated in 1949 in education. She worked as a teacher and later an office manager in her husband's public relations firm. As far as known, this is the largest number of family members to have graduated from KU. All four sons served in the Army during WWII.

Clarence Virgil died in Lawrence 9 October 1948. Julia continued to live at 342 Mississippi until shortly before her death on 21 August, 1973. They are buried in Oak Hill Cemetery in Lawrence.

THE END

**Woman Claimed She Was Shot in Quantrill's Raid
of Lawrence -- August 21, 1863**

Mrs. Sarah E. Lanton wrote to Marshall Prentice of Lawrence in 1886 claiming she was shot during Quantrill's Raid. Her letter was published in the *Lawrence Evening Tribune*, May 10, 1886.

.....

"More Quantrell Raid History"

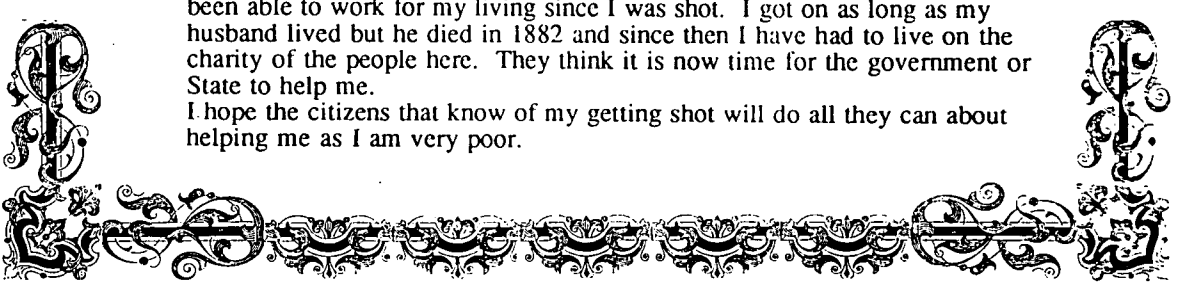

Marshall Prentice received the following letter yesterday. The Mr. Prentice referred to in the letter was Marshall Prentice's father, who was city marshal in 1866 and 1867. It is not generally known that a woman was shot during the Quantrell raid, but such is the fact. The letter reads as follows:

Solomon City, Kas., May 8. [18]86

DEAR SIR--I write to ask you if you are the same gentleman who was police man in Lawrence twenty years ago. The gentleman I have reference to was named Mr. Thad Prentice, and was a tall, slim man with red whiskers. If you are the Mr. Prentice I speak of you will remember about me pointing out the Quantrell raid spies to you the day before Lawrence was burned. I heard their conversation and reported it to you and they were arrested. But as they denied it, they were turned loose. At the time of the raid I lived in an old store building on a front street a few doors above Mr. Gardner's millinery store, and the spies held a conversation back of the building. I think the reason they shot me was because I reported on the spies. The one that I had arrested came and took me prisoner as soon as they got in town and made me hold the ax while they broke into the store buildings and ransacked them. When they got ready to leave town they shot me and put me and two children into Dr. Huson's buggy and took us as far as Jones' ranch. There the horse got frightened and tipped the buggy over. I started to foot it back to Lawrence and met some farmers in a wagon, on the road to Lawrence, and I told them my situation and they took me back. Dr. A. Fuller dressed my wound and attended on me.

The reason I tell about my case is to see if you remember me. I have never been able to work for my living since I was shot. I got on as long as my husband lived but he died in 1882 and since then I have had to live on the charity of the people here. They think it is now time for the government or State to help me.

I hope the citizens that know of my getting shot will do all they can about helping me as I am very poor.

WHAT? NO WILL?

Don't be discouraged if you find no will. Ralph Crandell in his book "Shaking the Family Tree" gives an example of a lady who died intestate in 1902. Among the probate records was the Petition for Administration of her estate, which listed 23 heirs, along with their addresses and their relationship to her!

FEDERAL CENSUS 1860 LAWRENCE KANSAS

This alphabetized listing of the 1860 census of Lawrence is copied from the cards located in the Watkins Museum, 11th and Massachusetts streets in Lawrence. Thanks to Steve Jansen and Judy Sweets for making the cards available for this project.

Anyone wishing to reconstruct the "households" can do so by looking at the original cards or contacting Donald Vaughn of the Douglas County Kansas Genealogical Society. Any of the elements in the computer data base can be found and grouped.

Several names were hard to read on the original and the cards. Question marks were placed by several names. Some names with () around them in the given name column are listed with alternate spellings. If no information was given a question mark was used.
