Pre-emptions
in
Douglas County

Douglas County, Kansas was organized in July 1855, and named for the famous Senator Stephen A. Douglas. Previous to May 1854, the county was not open to settlement by white people as it was a part of the Shawnee Indian Reservation. It was then that many people began to stake Claims in Douglas County. The principal scene of settlement was the eastern part of the state.

The original records of these Pre-emptions were destroyed when Quantrill and his men raided Lawrence on August 21, 1863. These are copies of existing records filed in Topeka.

A copy was donated to the Douglas County Genealogical Society by the Douglas County Register of Deeds Office.
