Liberty Memorial High School

In order to bring about a closer relationship between the school and its patrons, Lawrence Senior High School welcomes you tonight.

“The entire object of true education is to make people not merely do the right thing but enjoy the right things—not merely industrious, but to love industry—not merely pure, but to love purity—not merely just, but to hunger and thirst after justice.

The more the teacher learns from and about the pupils, the better the pupils learn from the teacher.”
