President's Message

I would like to take this opportunity to thank all those officers, committees, and members who have worked diligently to make last year a success. Special thanks should go to retiring officers Pauline Elniff - librarian, Mary Jamison - editor of the Pioneer, and Judy Sweets - secretary and researcher. Many thanks for your many hours of hard work for the Society.

This is a new year with many tasks unfinished. Grace Embers, editor of the Pioneer welcomes material for possible publication in the Pioneer. If you have material on Douglas County history, your family in Douglas County, diaries, Bible records, school records, etc., please get them to Grace. We especially invite our out of state members to contribute in this way for the mutual benefit of everyone.

Grace also needs typists, copiers and indexers. "I don't know how" is not a good enough excuse, as none of us knew how until we did it.

Jean Snedeger and her committee have been working on reprinting several Lawrence City Directories so they will be available for purchase by anyone needing them. They have begun updating the county cemetery records for publication in the near future. Please call her if you can help.

The general opinion is we have had helpful, interesting and instructive speakers at our monthly meetings. Thanks to all who took the time and effort to come to our meetings and instruct us in their specialities. If you have a special topic for a future program, let us know.

Sincerely,
Donald Vaughn
Donald Vaughn, President

The Preemption Act was passed in 1841 by the U.S. Congress in response to the demands of the Western states that squatters be allowed to preempt lands. Pioneers often settled on public lands before they could be surveyed and auctioned by the government. At first these claims were not recognized, but in the 1830's temporary preemption laws were passed by Congress. Opposition to preemption came from Eastern states where it was seen as a threat to their labor supply. A permanent preemption act was passed only after the Eastern states had been placated by the principle of distribution (i.e., the proceeds of the government land sales would be distributed among the states according to population). Distribution was discarded in 1842, but the preemption principle survived. The act of 1841 permitted settlers to locate a claim of 160 acres and after about fourteen months of residence to purchase it from the government before public sale for as low as \$1.25 an acre. After the passage (1862) of the HOMESTEAD ACT, the value of preemption for bona fide settlers declined, and the practice more and more became a tool for speculators. Congress repealed the Preemption Act in 1891.

NEW ACQUISITION

The library of the Douglas County Genealogical Society has acquired 45 issues of the Connecticut Nutmegger, the quarterly journal of the Connecticut Society of Genealogists. The rapidly growing Connecticut organization was founded in 1968 and already has more than 5,000 members. These are from every state in the Union and from many foreign countries; the journal thus becomes more than a regional publication.

In the Connecticut Nutmegger can be found:

A continuing series: Connecticut Births Before 1730.

A continuing series: Connecticut Marriages Before 1750.

A continuing series: Connecticut Headstones Before 1800.

An "Ancestry Service" listing alphabetically the lines from charts of members.

Book Reviews

Bible Records

Articles of general interest to genealogists. A good example is the splendid article in the September 1977 issue, Vol. X, page 205, by George E. Williams on "Writing a Family Genealogy."

Genealogical Queries. These are well-indexed, are not limited to Connecticut families but are preponderantly New England, New York, Pennsylvania, and Ohio, and are notable for their specificity. They perhaps represent the largest body of queries, except for the Genealogical Helper, in any genealogical publication.

The submitter of each query is identified by his special Nutmegger number. A list of these members and their addresses is updated every two months. Anyone wishing to correspond with an individual regarding a query can contact Dr. Thomas Gorton, tel. 843-5433 for the current address of the submitter.

THE SWEDISH CEMETERY

The Swedish Cemetery (also known as the Johnson Cemetery) is located on a wooded hillside about one mile north of Lone Star, Kansas, on land (called the Adams Campus) now owned by the Kansas University Endowment Association. It is a small cemetery consisting of about sixteen graves enclosed by a rock fence. According to information compiled by Ada Lindell for Will Hastie's Record of Cemeteries of Douglas County, Kansas, the land for the cemetery was donated by Mr. Lars JOHNSON who came to America from Sweden in 1855.

"The first one to be buried in this cemetery was Mr. BERGMAN, who was born in Sweden, and died some time between the years 1855-1860. We have no record of who he was, except that he was a bachelor, a farmer and stone mason."

She further states that "the next were two men, father and son. J.S. EKMAN, born in Sweden May 31, 1816, died 1855; his son, Carl EKMAN, born in Sweden, was killed in 1863 during Quantrell's raid. These two stones are of sandstone and the lettering and dates are almost gone."

The following graves are located on the east side of the cemetery in Row 1:

Sidney F. HELLSTROM, 1871-1910
Elva HELLSTROM, 1875-1904
Otto HELLSTROM, 1884-1897

Row 2:

Oscar HELLSTROM, 1842-1910, born in Sweden*
Frans M. HELLSTROM, 1816-1884, born in Sweden*
Clara G. HELLSTROM, 1820-1894, born in Sweden*

Row 3:

Carl E. BJORKLUND, Nov. 7, 1824-Dec. 24, 1895, born in Sweden*
Helena C. BJORKLUND - Wife, July 19, 1815-Oct. 3, 1893, born in Sweden*
Johanna E. JOHNSON, 1810-1885, born in Sweden*
Lars JOHNSON, 1811-1885, born in Sweden*

Row 4:

G.L. JOHNSON, 1849-1901
2 more stones which are unreadable

G.L. JOHNSON was not listed in Hastie's book, but two others were for whom there were no stones:

Gustave HELLSTROM, born in Sweden 1846, died 1905
Charles John AHLSTROM, born in Sweden 1816, died 1912

On the hillside northwest of this cemetery and across the stream lies the remains of the stone house and corncrib of the Hellstrom family

Birthplace information was given by Ada Lindell in Will Hastie's Record of Cemeteries of Douglas County, Kansas.

Received His Reward

The Rev. A.M. Fitch, of Michigan, has been appointed the Indian Agent for Northern Michigan. The M.E. Conference of that state, last fall, passed Resolutions, with only one dissenting vote, condemning the buying and selling of men, as being anti-scriptural and unchristian, that one dissenter was the Rev. Mr. Fitch.

From the Lawrence Republican Weekly, Thursday, July 9, 1857, pg. 3:

TO THE PEOPLE OF LAWRENCE

— In taking the Census of Lawrence, many persons were absent, and it has been impossible in many cases to get an accurate list; It was also impossible to see a great many and give them an opportunity to sign the petition for the FREE-STATE CONSTITUTION.

The Census returns and petition will be kept at my office until the 10th inst. I hope all persons omitted on Census returns, or who wish to sign the Free-State petition will call and do so immediately. One sheet of Census returns has been lost, it is hoped the finder will return the same to my office.
